# MINISTER'S LETTER

Dear brothers and sisters,

*May our Lord's peace and all good be with you!*

This year, for my Lenten experience, I am trying to avoid the "attitudes" which, as Br. Pat told us in his article last month, "are guaranteed *not* to deliver a good Lent." This focus has certainly been a change for me! What has come to my mind through prayer and introspection has been what the Tertiary Franciscan mystic, Bl. Angela of Foligno, called "the struggle between humility and pride, and which has effects on the irascible power of the soul" (**Angela of Foligno: The Complete Works** by Paul LaChance, OFM. Paulist Press, New York, 1993).

I have heard and read many Franciscan teachers say that in St. Francis' example of loving Lady Poverty we are ultimately being shown the example of **Gospel humility**. This is the example of our Lord, Jesus. This God-made-flesh, who reaches out to others and, in fact, gives his very life for others! This Lent I have been particularly focused on seeing others do this...my husband, John, and his medical team that give themselves totally to the poorest of the poor in our hemisphere – the people of Haiti. Our beloved suffering sister in Francis, Maxine Piaceszny, being admitted to a nursing home, began a Franciscan interfaith peace and justice prayer group for all the nursing home residents! Then, I saw a man last Friday in a restaurant pay for a dinner for a young American soldier and his family...but left the restaurant before the soldier knew about it and could thank him! These humble acts of kindness are very humbling to me! I could, as Bl. Angela experienced, "perceive myself as fallen from every good and devoid of every virtue and grace" (p. 200). I know my limitations so well, my weaknesses "weigh heavily on me to have fallen so low" (p. 201).

Do you ever feel this struggle? First, you think you are living the greatest life in the Spirit by being in the SFO, following the Rule, and doing what you think is God's will; you are doing everything *right*. Then, you see others doing even greater things, kinder things, more loving acts for others. Perhaps then you may become, as did Bl. Angela, "full of anger, sadness, bitterness, and conceit" (p. 201). This is *pride* raising its ugly head! Oh, and it is a struggle!!! Lord, save us!

Sometimes, at least with me, we may experience a great temptation to *chuck it all*. "I can't do this any longer; this is too frustrating! Is it really worth it?" Blessed Angela went through this herself and gives us a bit of spiritual counsel: "...through this struggle with...humility and pride extreme purgation and purification...take place in [your] soul...Caught in this struggle between humility and pride, the soul has passed through fire and undergone martyrdom...The more a soul is laid low, abased, impoverished, and thoroughly humiliated, the more it is prepared, purged, and purified for a greater elevation. For the extent of the soul's elevation corresponds to the extent of its humiliation and abasement" (p. 202).

I have a great hope that this struggle between *humility and pride* will lead to Franciscan virtue found through *joy in suffering*. After all, Easter is ever before us. Alleluia! Christ is risen; he is risen indeed!

Happy Easter, dear ones!

Janet

## Rule Reflections for March 2008

### SFO Constitutions, Article 4

The Rule and life of the Secular Franciscans is this: to observe the Gospel of our Lord Jesus Christ by following the example of Saint Francis of Assisi, who made Christ the inspiration and the center of his life with God and people.

Christ, the gift of the Father's love, is the way to him, the truth into which the Holy Spirit leads us, and the life which he has come to give abundantly.

Secular Franciscans should devote themselves especially to careful reading of the Gospel, going from Gospel to life and life to Gospel.

The Way of Life is a life to be lived more fully in conformity to Christ. Secular Franciscans have been called to observe the Gospel.

### Scripture suggestions:

Matthew 19:16-30; Luke 2:51-52; 6:46-49; 11:28; John 5:26, 36-47; 10:10; 14:6-17; 16:13  
Acts of the Apostles 17:2-4, 11-12.

### Meditation:

1. What does "Gospel to life and life to Gospel" mean?
2. How is Christ the gift of the Father's love?
3. Explain how Jesus is the Way, the Life, and the Truth?

Neuroblastoma

Within days of TJ's arrival, the medical professionals at St. Jude found he suffered from neuroblastoma, a common solid tumor of childhood. Treatment has been tough on TJ, but his mother, Kelly, is amazed by his spirit. "He's a fighter," she said. The family is overwhelmed at how caring and supportive everyone at the hospital is. About the donors who help support St. Jude, they are especially grateful. "I don't know how we'd have done it without their help," Kelly said. Not having to worry about medical bills is a relief for the family. "Because of the donors, TJ is getting the treatment he needs. St. Jude is the best place he could be. We're very lucky."

## CAR NEEDED

Do you have a car that you could donate to the fraternity for one of our members? It needs to be in good working condition. Since the fraternity is a 501 C3 [charitable institution], we could give you a receipt for the car's worth that you could use as a tax deduction. **Please contact Frank Kraimer, our Christian Service director, at (248) 408-3651.** God bless you!

# VICE MINISTER'S LETTER

Dear sisters and brothers:

I just want to bring you up-to-date on the **2008 Towel Campaign**. The **Towel Campaign** kicked off on Ash Wednesday and will last through the season of Lent. We are asking for your support in collecting new white towels and washcloths. You may bring them to our March 9<sup>th</sup> Meeting and Day of Reflection, or drop them off at the Solanus Casey Center at any time. If you bring them to the Center, please ask the receptionist to contact Br. Pat McSherry (ext. 141).

Some members have asked why we are requesting *WHITE* towels. The reason is that white towels allow for laundering with chloride bleach which not only cleans but also sanitizes the articles.

The towels will be distributed from the Secular Franciscan Office of St. Bonaventure Fraternity during the week of March 31<sup>st</sup> to April 5<sup>th</sup>, 2008 (i.e., the week following Divine Mercy Sunday). We will need vans and cars for the delivery. If you are available at all during that week to assist in boxing up the towels or can help deliver them, please call the SFO Office (313-579-2100, ext. 136) or Ona Harris (evenings at 313-862-3297).

For the 2008 Towel Campaign, we are donating the towels to the Mercy Primary Care Center's (MPCC) Special Personal Assistance (SPA) Program. This program provides over 4,100 showers annually to the homeless population of our community. The program also provides resources to the homeless, including clothing, food and other personal services. I will be

touring the facility on Tuesday, March 18, 2008, at 9:00 A.M. If anyone wishes to go with me, just call the SFO Office.

Again, on behalf of our Minister and Council, I want to thank you for your continued support!

United in our Franciscan charism, I remain

Ona C. Harris

Vice Minister

# *The Mayonnaise Jar*

## *2 Cups of Coffee*

When things in your life seem almost too much to handle, when 24 hours in a day is not enough, remember the mayonnaise jar and 2 cups of coffee.

A professor stood before his philosophy class and had some items in front of him. When the class began, wordlessly, he picked up a very large and empty mayonnaise jar and proceeded to fill it with golf balls. He then asked the students if the jar was full. They agreed that it was.

The professor then picked up a box of pebbles and poured them into the jar. He shook the jar lightly. The pebbles rolled into the open areas between the golf balls. He then asked the students again if the jar was full. They agreed it was.

The professor next picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else. He asked once more if the jar was full. The students responded with a unanimous “yes!”

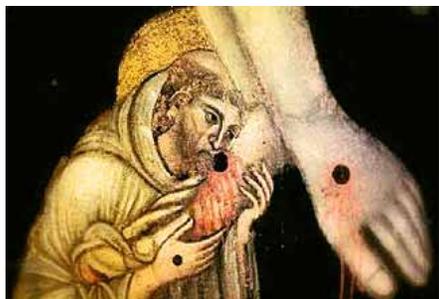

The professor then produced two cups of coffee from under the table and poured the entire contents into the jar, effectively filling the empty space between the sand. The students laughed. “Now,” said the professor, as the laughter subsided, “I want you to recognize that this jar represents your life. The golf balls are the important things — God, the Gospel, family, children, health, friends, and favorite passions — things that, if everything else was lost and only they remained, your life would still be full.

The pebbles are the other things that matter like your job, house, and car. The sand is everything else — the small stuff.

“If you put the sand into the jar first,” he continued, “there is no room for the pebbles or the golf balls. The same goes for life. If you spend all your time and energy on the small stuff, you will never have room for the things that are important to you. So, pay attention to the things that are critical to your happiness. Live the Gospel. Pray to God. Play with your children and grandchildren. Take time to get medical checkups. Take your spouse out to dinner. Play another 18. There will always be time to clean the house and fix the disposal. “Take care of the golf balls first — the things that really matter. Set your priorities. The rest is just sand.”

One of the students raised her hand and inquired what the coffee represented. The professor smiled. “I’m glad you asked.” It just goes to show you that no matter how full your life may seem, there’s always room for a couple of cups of coffee with a friend.”

## Fair Share Policy Clarification from the Regional Minister

The **National Statutes** designate who is to be included in paying Fair Share, and who is responsible for the contribution. “The **Local Fraternity is responsible** for contributing to the Regional Fraternity on a fair share basis **from its common fund** to underwrite the costs of that fraternity” [see General Constitutions, Art. 30.3]. Note that payment of the Fair Share is the specific responsibility of the fraternity, *not* the individual member, and comes out of the fraternity’s Common Fund.

Again, the **National Statutes**: “A Fair Share contribution is made based on the number of active and excused brothers and sisters, but **not** for those who are deemed **lapsed**.”

The **Statutes** define the terms “**active**” and “**lapsed**”. Note that here the “**active**” category *includes* those whom the fraternity has “**excused**”.

- A. An **active** fraternity member is **one who participates** both by attending fraternity meetings and by providing financial support to the community, **or whom the fraternity has excused** from such obligations.
- B. Those brothers and sisters who neither attend meetings, support the community financially, nor have valid reasons due to health, family, work or distance, and who, after personal invitations to return to fraternity, consciously and deliberately reject or ignore the invitation, will be termed “lapsed,” and will not be carried on the fraternity membership roll, nor be reported as a member to higher fraternity Councils.”

Thus, for the purposes of *Fair Share*, there are only two categories of fraternity members: “active” or “lapsed”. *Those whom the fraternity has excused for valid reasons from attending fraternity meetings and/or contributing to the Common Fund, belong to the “active” category, and the fraternity should pay Fair Share for them.*

If you have questions about how the policy should be applied in your fraternity, please feel free to contact either the Regional Minister, Mary Bittner, SFO at 734-483-1956 or at [mbittner@umich.edu](mailto:mbittner@umich.edu); or the Regional Treasurer, Rosemary Hannaford, SFO at [Rosemhnrfd@aol.com](mailto:Rosemhnrfd@aol.com).
